

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of UNEQUAL Coverage of one candidate vs another, & an illegal corporate contribution.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. It shows why media consolidation is BAD for DEMOCRACY, The Constitution of the United States of America, & the most essential our "Bill of Rights"!!!

Thank you.
